## Summary

I am a dedicated person and I leverage strong communication skills to effectively resolve problems. I am comfortable working in fast-paced, deadline-driven environments as part of a team or as an individual. I am proficient in Microsoft Office and I possess the ability to take initiative and manage time effectively. I consider myself a dedicated and goal orientated individual, who always strive to deliver more than expected. I am known for building strong working relationships and I am committed to being a confident and respected member in my environment.

I am a fast and willing learner, a good team player and have excellent people skills. I am a hard worker and strive for success. I handle stress well and do not crumble under pressure. I volunteered part time during my matric year whilst learning for and writing my final exams. I complete tasks thoroughly with diligence and in a timely manner and I always strive to achieve the goals I set for myself. I am very excited and it will be an honor to become a part of your team.

My hobby is baking, art and reading .My goal is to further my studies in Graphic Design.
